

**TOWN COUNCIL REPORT
COMMUNICATIONS & PUBLIC RELATIONS COMMITTEE
MAY 13, 2022**

The Communications & Public Relations Committee has not met since March.

The April Coffee & Conservation event featuring Bethany Beach Volunteer Fire Company Chief Shane Truitt was not well attended. Upcoming events in this series will be held on May 20th (Mayor Saxton) and June 24th (Councilman Abbott and CWQC Chair Chris Vanuga).

The monthly news updates continue to receive positive feedback and will continue. The C&PR Chair is collaborating with the Canal Water Quality Committee to include water quality updates or educational information for property owners in each edition.

Respectfully submitted,
Edie Dondero, Chairperson
